Explore edX Boot Camps.

Led by industry experts, these intensive programs can be completed in as few as 12 weeks and are conveniently delivered on a **full- or part-time** basis in a variety of learning formats. Which one will you choose?

Coding

Build systems that make the digital world work.

Cybersecurity

Join the front lines of digital defense.

Data Analytics

Harness the power of information.

Digital Marketing

Engage consumers in innovative ways.

Fintech

Shape the future of finance.

UX/UI

Design for the world we live in.

Program Management

Lead cross-functional teams to success.

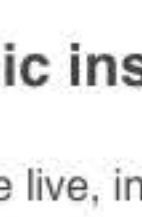

Tech Project Management

Drive efficiency, innovation and collaboration.

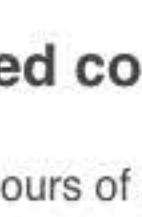

A customized learning experience.

You're busy. We get it. Our boot camps are for people with jobs, families and social lives. For many of our boot camps, you can choose to learn online or in person, part time or full time and still receive top-quality instruction, 1-on-1 attention and access to a huge employer pool and vibrant alumni network. Our programs feature:

Dynamic instruction

All boot camps feature live, interactive classes led by skilled instructors who have been hand-picked for their subject matter expertise and ability to engage with learners in this unique space.

Self-guided coursework

You'll complete 10–20 hours of study in addition to your classes whenever it's convenient for you, whether you're an early bird, a night owl or something in between.

Real-world projects

Hands-on, experiential work and group projects are the best way to master complex concepts and build an impressive portfolio at the same time.

360-degree support

You'll have an entire team in your corner, including admissions, Student Success, Career Services, tech support, tutors, instructors and TAs all with a shared goal: helping you achieve your professional goals.

We partner with 50+ leading universities.

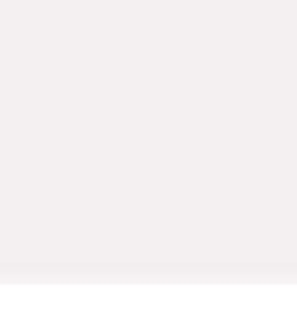

Hear from some of our 26,000+ graduates.

Launch the next phase of your career with a boot camp.

Prepare for your professional pivot to the civilian world in just 12, 18, or 24 weeks. Members of the military and veterans are eligible for an exclusive 20% discount.*

- **Global network:** Gain access to a network of 250+ employers looking to hire.
- **Student success:** Stay on track with personalized academic support.
- **Career support:** Access free professional resources throughout your career.
- **Respected credentials:** Earn a Certificate of Completion from a recognized university.

Explore boot camps

Learn from a boot camp leader

We offer eight boot camps in high-demand fields: Coding, data analytics, cybersecurity, fintech, digital marketing, UX/UI, product management, and technology project management. Our boot camps are designed for busy learners and working professionals. The majority of them are offered part time, with virtual classes held in the evenings.

195+

boot camps offered

156K+

all-time boot camp graduates

49%

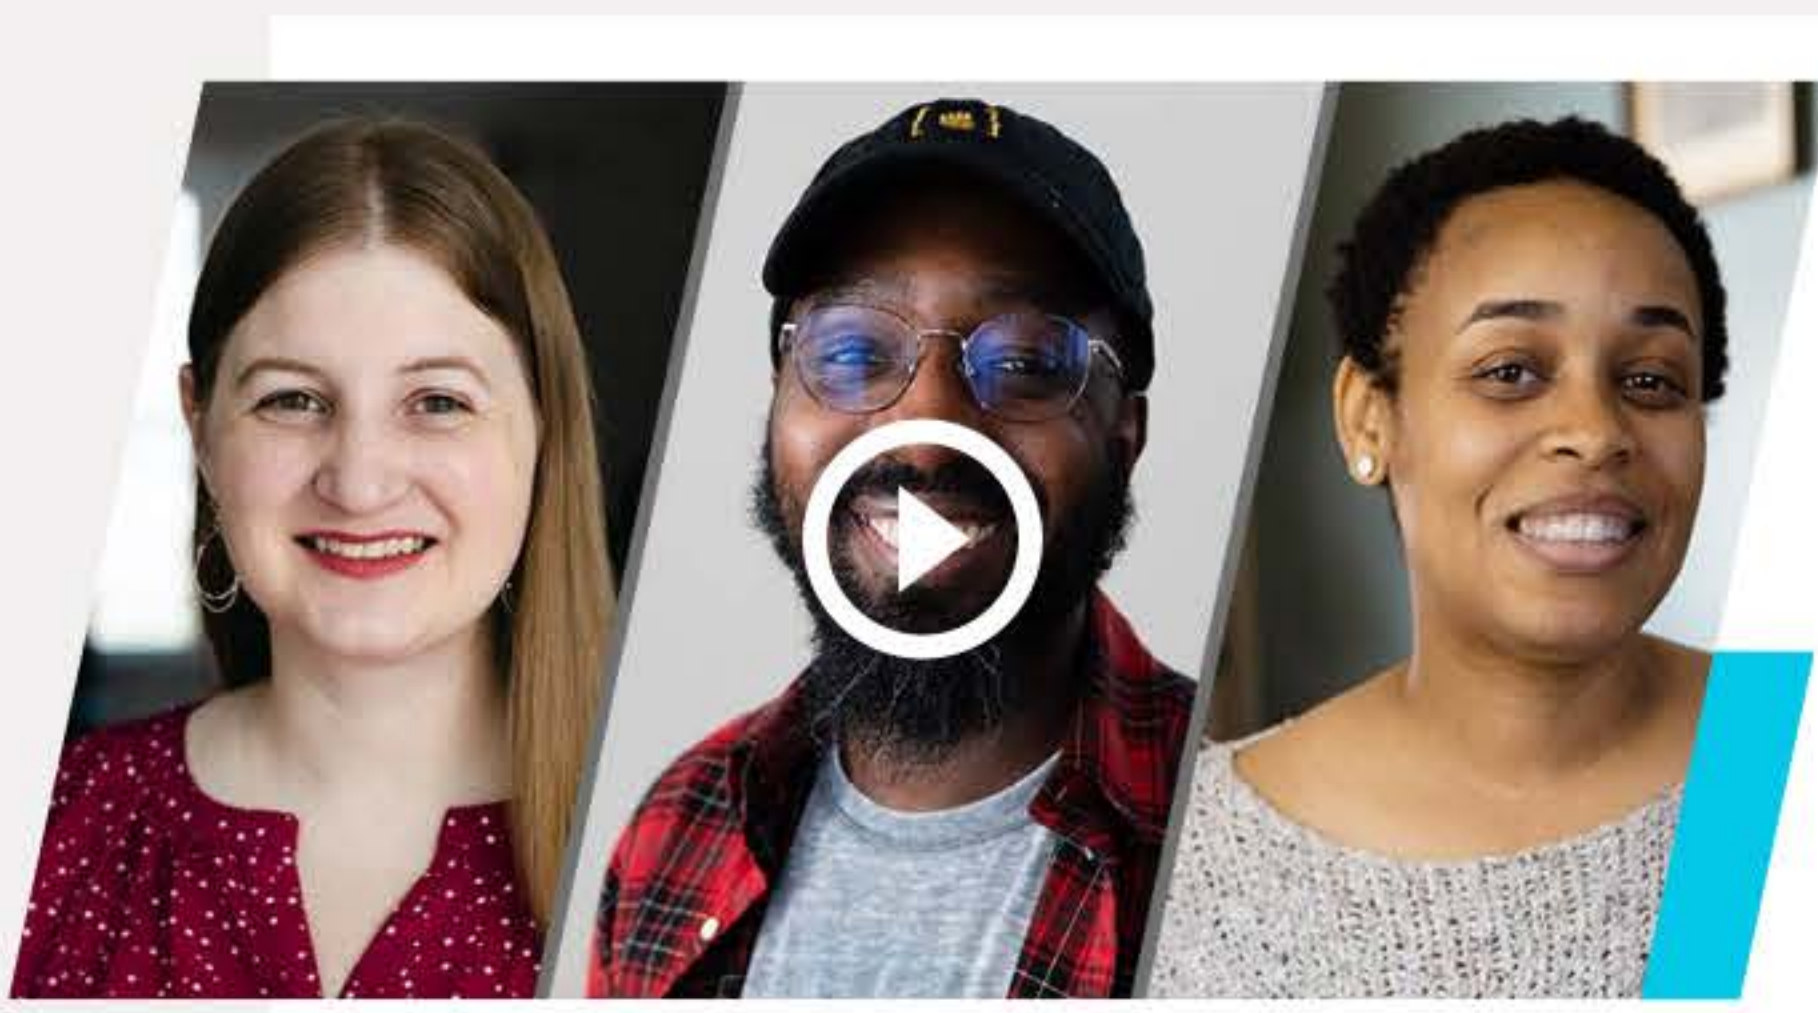

of learners are Black, Indigenous and people of color

39K+

referrals for job seekers from our Career Engagement Network

* Demographic data are self-reported by students and can be found in our [2020 Transparency Report](#). Figures above are based on the total number of students that reported demographic data through December 31, 2020, for those programs and students to which 2U has access to the information. 78 percent of students provided race/ethnicity data, 90 percent of students provided gender data, 85 percent of students provided age data, and 90 percent of students provided level of education.

From one kind of boot camp to another

Discover how boot camps transformed the careers of three veterans.

Watch video

Tap into a network of 250+ employers looking to hire

We partner with some of the world's top employers and our job-ready boot camp learners have received thousands of job offers from global organizations. As you take the next steps in your career, you'll have access to job referrals, plus career and network opportunities.

The support you need to achieve your goals

Personalized academic assistance

The rigorous boot camp curriculum is delivered through high-quality coursework and classes led by expert instructors dedicated to enhancing the learning experience of their students. Learners get 24/7 on-demand learning assistance via text or video chat, access to a 1-on-1 tutor, and a powerful network of engaged instructors, TAs, peers, and alumni.

Robust career services

Our Career Engagement Network will help you apply the tools and knowledge you learn in your program to advance your career by assisting you in developing a strong portfolio, a polished resume, and sharp interview skills. You'll also have access to free career resources throughout your professional life.

Explore boot camps

We partner with 50+ leading universities

From the quality of the curriculum, to expert instruction and recognized credentials from a leading university, your boot camp will take you to the next level in your professional career.

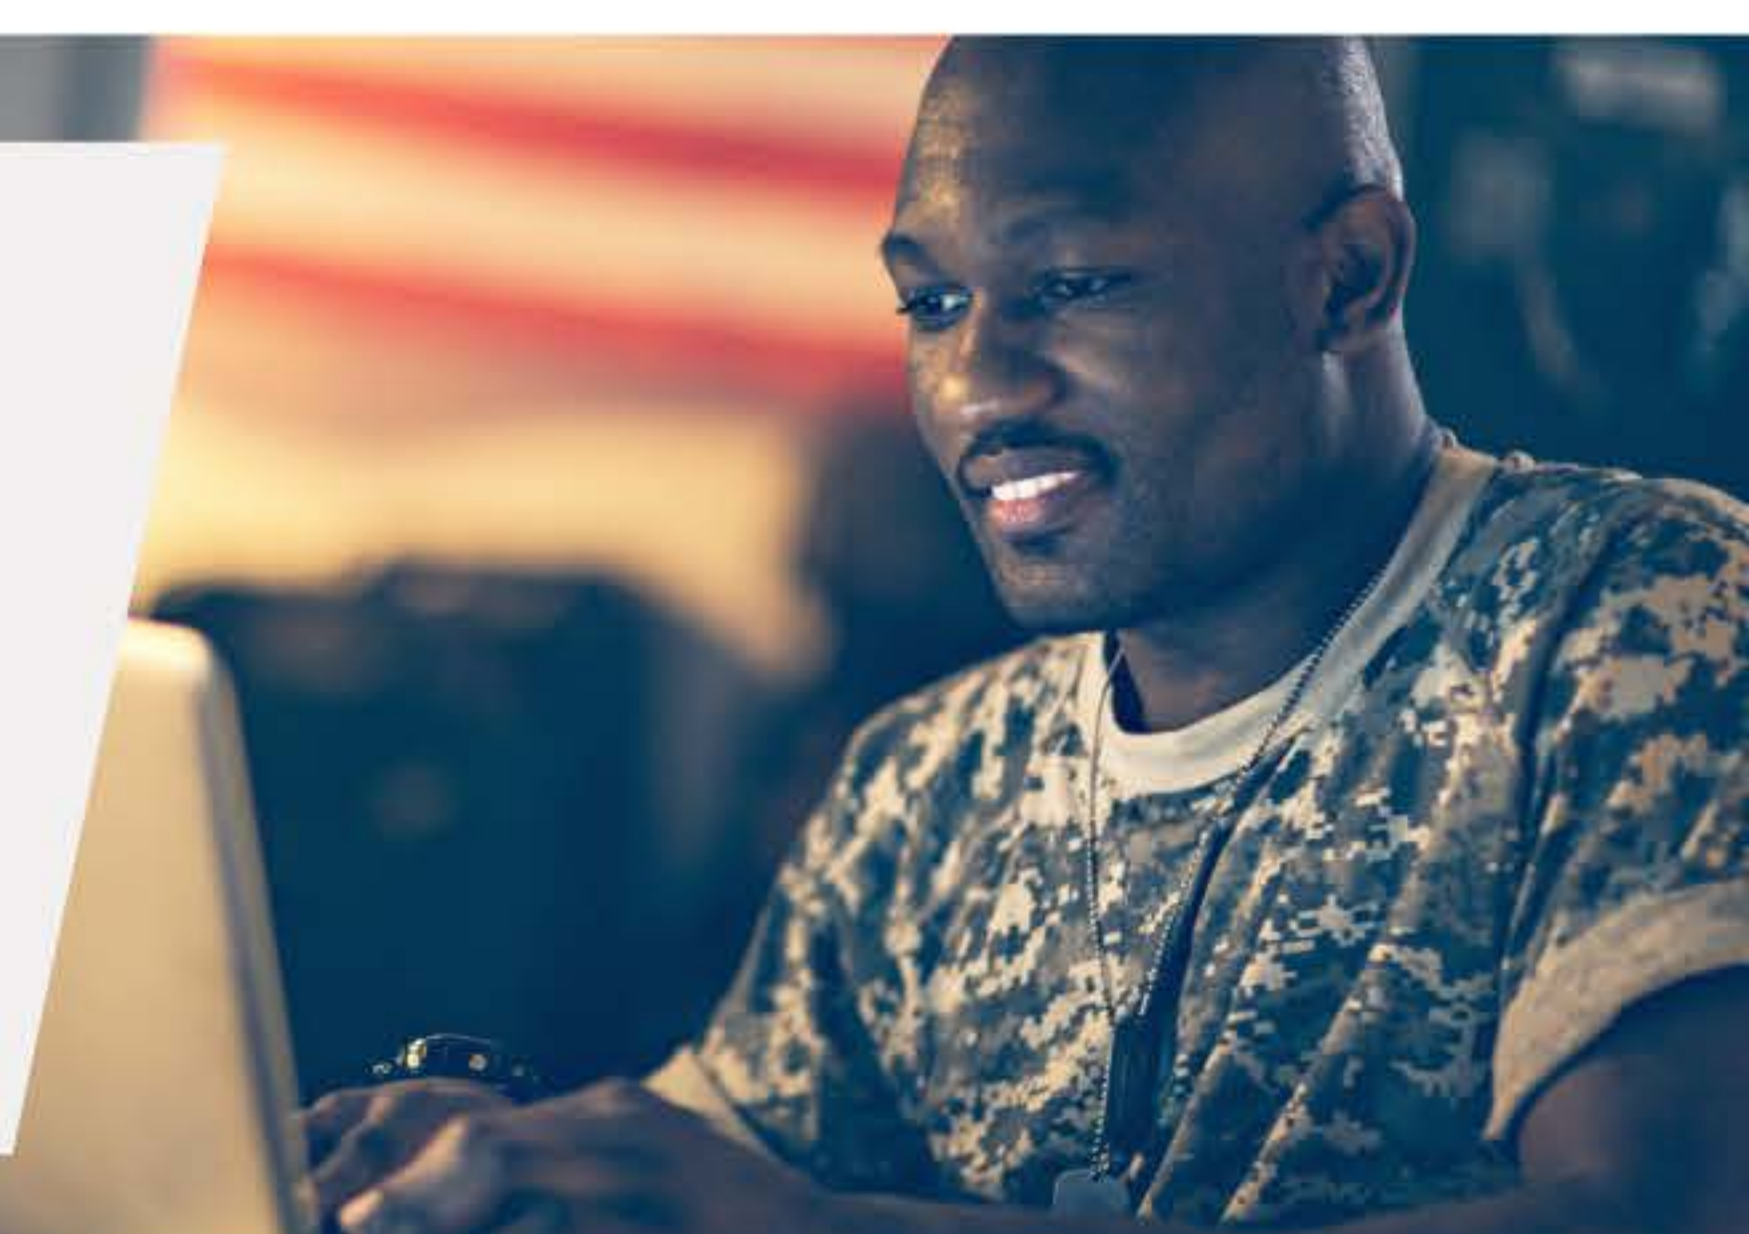

Get a 20% discount*

If you're an active military service member or veteran, several of our university partners in our network are proud to offer you a **20% tuition discount**. It's our way of saying thank you for your service while helping you transition from military life to a thriving career in high-growth, in-demand fields.

*This offer is only for active military and veterans, and cannot be combined with any other offer. Discount subject to university participation as well as eligibility verification via third-party platform.
